

# Champion Security Installations: Certified Supplier of Security Solutions to Schools and Colleges

Safeguard students, staff and visitors with comprehensive solutions for every aspect of security on educational sites.

Our services include:

- Free audit and consultancy provided by a former headteacher with 18 years' experience in education
- Installation and commissioning of full HD CCTV
- Intruder alarm systems
- Automated lockdown technology
- Access control systems: keypad, fob or card entry
- Barrier and gate control
- Fire systems, checks and audits
- Intelligent camera technology: face recognition/student registration
- Security lighting, fencing and warning signs

All our engineers are fully DBS checked and provide a thoroughly professional and efficient service.
